PARENTAL CONSENT

I,

allow my child,

to participate in the paintball event entirely at their own risk. I recognise that there are hazards throughout the entire centre including the car park, base camp, access tracks and game zone areas. These include, but are not limited to; fallen trees, sharp objects, holes, burrows, trip hazards, slip hazards, tree roots, game structures, buildings, barricades, raised platforms, vehicles, stairs, walkways, mud, loose ground, standing water, animal/insect activity and stray shots. I understand that pellets can bruise or break the skin. I confirm that the operators shall not be liable for any loss or damage, cost or expenses arising from my child's attendance which was not reasonably foreseeable by the operator on the date of attendance at the centre, except in the respect of death or personal injury resulting from any act or omission on the part of the operator. I acknowledge that the recommended footwear for my child is a boot with ankle support and deep tread/rubber soles. I recognise that if my child is not wearing the recommended footwear he/she is participating at a significantly higher risk of injury, especially if ground conditions are poor. I understand that the activity takes place outdoors and ground conditions may be wet, slippery and dangerous. I confirm that my child will familiarise herself/himself with the playing conditions warning board displayed beside the stage and I understand that there will be a heightened risk associated with participating under Yellow, Red or Black flag conditions, and my child will act accordingly to the instructions given on that warning board. I recognise that if my child is not wearing the recommended footwear and he/she participates in the activity then I will accept that I have made a personal decision for my child to ignore the warnings issued by the operator and any subsequent injury or loss from a slip, trip or fall will be caused by my failure to take notice of the warnings. An accident book is available and any injury to a participant must be notified to the operator, recorded in it and signed by the injured person or their representative. I understand that vehicles are parked at the owner's risk. I will ensure my child removes all jewellery before playing as it may become entangled or cause injury during the event. I understand that any paintballs purchased during the day become the player's responsibility from the time of purchase; the organisers shall not be responsible for replacing any paintballs that might become lost, stolen or accidentally broken. I confirm and agree my child will never deliberately shoot anyone in the face or head, or at a distance of less than three metres, that he/she will obey all reasonable requests of the centre's marshalling personnel. It is the player's responsibility to ensure that the goggles with which he/she shall be issued fit properly and that the straps are adjusted so as to hold the goggles sufficiently tightly against their face to prevent them from slipping when in use. If in any doubt about how to adjust the goggles, he/she will immediately seek advice from a member of the marshalling staff. Under no circumstances will he/she participate in any part of the paintball event if their goggles are not, at all times, held firmly against their face. I accept that if he/she lifts or removes his/her goggles for any reason whatsoever when in the gun or game zones, he/she will be excluded from participating in the activity for the remainder of the day and that no refund will be given nor any excuse accepted. From time-to-time the paintball centre and/or it's players will take photos and/or videos on site and/or keep various documentary records of the proceedings. I agree to allow any such pictures/videos that may include my child in them to be reproduced by such players and/or the paintball centre in all and any media together with commentary about the event that may or may not include such details as the date and location of the event, the names of some or all of the players, the scores/results of any games and various associated comments. In signing this registration form, my child accepts membership of the UK Paintball Association; I also appoint Delta Force Paintball as their proxy vote. I accept that the division of guests into teams is at the discretion of the centre manager, who will take their wishes into consideration, but will make the final decision using his own discretion (ie: a player may not be able to play against their chosen opponents, and their party may be required to split in two and play against each other, or against another team). I accept that paintballs are sold in bags or scoops of approximate quantity only. These measures are not exact; any reference to a price per ball is an approximation only. Any shortfall should be reported to the centre manager immediately, any excess is for the player to enjoy. Only paintballs supplied by this firm, on the day of the visit, may be used at the centre. Cross the box to receive no further information on discounts and special offers from Delta Force and selected partners ☐

Medical Disclaimer:

☐ I confirm that I believe my Child to be physically fit and able to participate in the game and recognise that the game may require a high level of exertion. Please declare to the centre manager, any illnesses such as asthma, heart disease etc as they may be aggravated by playing paintball.
