	I agree to comply with all guidelines outlining the safe use of pyrotechnics. This includes but is not limited to; wearing protective gloves when using pyrotechnics, not using thunder flash pyrotechnics within one metre of another player, placing pyrotechnics on the ground rather than throwing them and only using pyrotechnics within the game field and during game play. I acknowledge the recommended footwear is boots with ankle support and deep tread, rubber soles. I recognise that if I am not wearing the recommended footwear I am participating at a significantly higher risk of injury, especially if ground conditions are poor. I understand it is an outdoor activity and ground conditions may be wet, slippery and dangerous. I will familiarise myself with the playing conditions warning board located beside the stage and I understand there is a heightened risk participating under yellow, red or black flag conditions and I will follow the instructions given. I recognise that if I do not wear the recommended footwear and I participate in the activity, then I accept that I have made a personal decision to ignore warnings issued by the operator and any subsequent injury or loss from a slip, trip or fall will be caused by my failure to acknowledge the warnings.
